About ITU Online

ITU Online is the leader in providing online IT training courses. Unlike others in the industry, we build all our curriculum "in house" using our three digital production studios at our corporate headquarters.

By using proven educational concepts and sound instructional design principles, we create the highest quality courses in the IT training field.

To deliver our standard for quality, we employ only the leaders in our field to create our award-winning training courses. ITU has won 4 Best in Biz Awards covering Company of the Year, Fastest Growing Company of the Year, Creative Department of the Year and Most Innovative Company of the Year. These awards solidify what our students already know, which is that we provide courses unmatched in quality at a price point lower than the competition.

#### Testimonial

ITU Online was instrumental in helping me get certified! The content was fun and engaging and the end of one video made me eager to start the next! Their extensive library has everything from Excel to Ethical Hacking! No matter what you're trying to learn, ITU is the best resource I have found.
