FOR IMMEDIATE RELEASE

STAYING SAFE DURING COVID19 WITH YOUR PETS

## Vet Tele-health during COVID19 pandemic

Toronto, Ontario (March 18, 2020) – Vets Plus More is the largest Vet tele-health service operating worldwide. In the wake of the COVID19 pandemic, we are servicing Pet owners globally to help them with their pets from the safety of their home. Amidst the increasing number of work from home or self-isolation cases, we want to make sure that every pet owner has access to accurate, information and expert advice surrounding their pets health and well-being along with their own.

Effective immediately, we are offering pet parents 25% off our low monthly fee of \$12.99 just by entering the coupon code: COVID19. Our registered Vets all have 5+ years of experience and have extensive training and knowledge in both clinical and shelter settings. Our Vets are available 24 hours a day, 7 days a week.

Access to our Vets can be done by video calling and texting with images (in 103 different languages) through any smartphone. Our Vets Plus More app can be downloaded from the play or app store and pet parents can access a Vet anytime.

## About Vets Plus More

Founded in March 2014, Vets Plus More is the largest Vet tele-health service in the world. Vets Plus More is known for assisting animal welfare organizations and low income families with Vet tele-health services all around the world. The company's mission is to offer affordable Vet advice from the comfort of your home or anywhere you are located and to provide pet owners peace of mind. Vets Plus More currently serves over 250,000 clients globally and employs 60 people worldwide. For more information about Vets Plus More, visit its website at [www.vetsplusmore.com](http://www.vetsplusmore.com) or contact them at info@vetsplusmore.com
