

Illinois US Navy Veterans Lung Cancer Advocate Offers a Navy Veteran or Person in Illinois with Lung Cancer and Who Had Heavy Asbestos Exposure to Call for Direct Access to the Lawyers at KVO-Take Compensation Seriously

CHICAGO , ILLINOIS , USA, May 1, 2020 /EINPresswire.com/ -- The Illinois US Navy Veterans Lung Cancer Advocate says, "Most Navy Veterans or people with lung cancer who also had heavy exposure to asbestos decades ago are not aware of the fact that the \$30 billion dollar asbestos trust funds were set up for them too. If you are a Navy Veteran, a former factory, utility, or skilled trades worker in Illinois and you have lung cancer please call us anytime at 800-714-0303 if decades ago you also had heavy exposure to asbestos. The compensation for a person like you might exceed a hundred thousand dollars. The person we are trying to get identified is over 60 years old and their asbestos exposure took place prior to 1982. We do not care if they smoked cigarettes."

The Advocate says, "To get the compensation job done for a Navy Veteran or person with lung cancer who also had significant exposure to asbestos decades ago we offer direct access to the lawyers at the law firm of Karst von Oiste-KVO. These remarkable lawyers have been assisting Navy Veterans and people with asbestos exposure lung cancer nationwide for decades and they are responsible for over a billion dollars in financial compensation for people like this.

"If you have lung cancer and you had significant exposure to asbestos decades ago the lawyers at Karst von Oiste-KVO will do everything possible to make your compensation claim process easier-with the fewest possible hassles. However, they will work overtime to get you the best possible compensation results. For direct access to the lawyers at Karst von Oiste-KVO please call 800-714-0303."
