

Datametrex Announces Management Changes

TORONTO, ONTARIO, CANADA, March 23, 2020 /EINPresswire.com/ -- Datametrex AI Limited (the "Company" or Datametrex") (TSXV: DM) (FSE: D4G) announces that Jeffrey Stevens is stepping down as President of the Company effective April 1, 2020 to pursue other opportunities. Mr. Stevens has volunteered to remain available to Datametrex in an advisory capacity.

"We are extremely grateful for Jeff's service and leadership in challenging market conditions," said Marshall Gunter, CEO of the Company. "We understand his decision to step down to pursue other opportunities and we sincerely thank him for his contributions over the past three-plus years"

About Datametrex

Datametrex AI Limited is a technology focused company with exposure to Artificial Intelligence and Machine Learning through its wholly-owned subsidiary, Nexalogy (www.nexalogy.com).

Forward-Looking Statements

This news release contains "forward-looking information" within the meaning of applicable securities laws. All statements contained herein that are not clearly historical in nature may constitute forward-looking information. In some cases, forward-looking information can be identified by words or phrases such as "may", "will", "expect", "likely", "should", "would", "plan", "anticipate", "intend", "potential", "proposed", "estimate", "believe" or the negative of these terms, or other similar words, expressions and grammatical variations thereof, or statements that certain events or conditions "may" or "will" happen, or by discussions of strategy.

Readers are cautioned to consider these and other factors, uncertainties and potential events carefully and not to put undue reliance on forward-looking information. The forward-looking information contained herein is made as of the date of this press release and is based on the beliefs, estimates, expectations and opinions of management on the date such forward-looking information is made. The Company undertakes no obligation to update or revise any forward-looking information, whether as a result of new information, estimates or opinions, future events or results or otherwise or to explain any material difference between subsequent actual events and such forward-looking information, except as required by applicable law.

Neither the TSX Venture Exchange nor its Regulation Services Provider (as that term is defined in the policies of the TSX Venture Exchange) accepts responsibility for the adequacy or accuracy of this release.
