

Toto's Tale: Quarantined, Bored, and Going COVID 19 Crazy? Free Ebook Relief from the Kung Fu Flu!

Updated characters & new wondrous quirky social misfits. Complex & intriguing and loaded with tongue-in-cheek humor, adventure, mystery, fantasy, and romance.

TAMPA, FL, UNITED STATES, March 25, 2020 /EINPresswire.com/ -- In this 450 page illustrated eBook, Toto tells the reader "like it is"! To quote, "...every monkey and his uncle who was smart enough to hold the sharp end of a pencil to paper, has shared their version of 'the yellow brick road'. These monkeys have had over a century to get it right, but since none of them had been to Oz, none of them ever got it right. So they made things up...even about my innocent little Dorothy..."

Dust Jacket and Cover for Toto's Tale, a Limited Edition

“

The Library of Congress has declared The Wonderful Wizard of Oz “America's greatest and best-loved homegrown fairytale” and “the most watched film ever”.”

Library of Congress

Toto's Tale brings the 21st century reader a cast of new and updated characters. Often bizarre and always unique, their personalities have depth and a complexity in tune with our times.

The story line, situations, and characters' relationships, though off-world, are real-world with complicated plots, unexpected twists, subtle romance..., mystery, lots of wonder, and some serious magic. Toto's Tale, loosely follows Baum's yellow brick road to the Emerald City. However, not all yellow brick roads are the same. With

larcenous literary and artistic license, copious wit, and tongue-in-cheek humor, Toto's Tale will appeal to readers of all ages, but the younger readers may not pick up on the humor and nuances.

Alongside Toto, you will ride in the front seat of a thrilling and emotional roller coaster throughout the magical Land of Oz...and beyond. This Wizard of Oz takeoff is a multidimensional plot-twister that includes an updated original cast and a host of other wondrous quirky social misfits. This complex and intriguing parody has as much tongue-in-cheek humor as it does original content, adventure, mystery, fantasy, and romance.

Yesteryear

First published in the year 1900, electrical lighting, indoor plumbing, and automobile ownership were not widespread. There were less than 8000 cars on the road and no more than ten miles of paved roads. "Technology" was a train that could travel in six days that a covered wagon would take six months.
