Overview

According to this study, over the next five years the Recruitment Process Outsourcing (RPO) market will register a 17.6% CAGR in terms of revenue, the global market size will reach \$ 11440 million by 2025, from \$ 5974.2 million in 2019. In particular, this report presents the global revenue market share of key companies in Recruitment Process Outsourcing (RPO) business, shared in Chapter 3.

Recruitment process outsourcing (RPO) refers to an outsourced service where the client organization handovers all or some of the recruitment processes to a third-party (RPO) vendor. The most significant factor fueling the market growth is the reduction in overhead costs of the client organizations. Additionally, outsourcing recruitment processes makes hiring much easier, faster and productive as compared to the traditional recruitment processes. This has made large number of companies across the world turn towards adoption of RPO in recent years. Due to rising penetration of the overall outsourcing concept, the RPO market is expected to witness strong growth in the coming years.
