"We are thrilled to see our hard work of using laserfocused targeting to voter lists come to fruition as three of our top campaigns have emerged victorious in the 2020

election," said <u>Craig Agranoff</u>, founder and CEO of Political Consulting LLC. "Our specialized team has dedicated countless hours growing each campaign and we are confident that our services are unmatched in the industry. We look forward to creating a stronger community here in Florida with our elected representatives."

"We delivered millions of digital ad impressions to get out the vote while field teams struggled to reach voters in person," said Ashley Amian, political strategist of Political Consulting LLC. "Presidential candidates are campaigning in unprecedented times. Staples in the campaign playbook: rallies, handshakes, and selfies are now being set aside to make way for digital ad buys. Our team is ready to bring sophisticated targeting to campaigns, in order to reach voters online."
