ARLINGTON, VIRGINIA, UAS, March 23, 2020 /EINPresswire.com/ -- Virginia US Senate Candidate [Victor Williams](#) today condemned incumbent Mark Warner and other Senate Democrats for obstructing cash dispersals to American workers, loans to cover payrolls for small/medium size businesses, and desperately needed liquidity for all American enterprises.

Williams encouraged all Americans to pressure Senate Democrats to stop obstructing the emergency legislation.

Prof. Victor Williams praised President Donald Trump and Senate Majority Leader Mitch McConnell effort to pass emergency, immediate help for America workers.

“

General Patton often stated that a simple battle plan – violently executed -- is far better than the best, most complex plan weakly carried out. Senate Democrats need to just get out of the way.”

Williams stated: “General Patton often stated that a simple battle plan – violently executed -- is far better than the best, most complex plan weakly carried out. Senate Democrats need to just get out of the way.”

Williams, who is also founder and chair of [Law Professors for Trump](#), said that leftist Senate Democrats, such as Virginia’ incumbent Mark Warner, are putting crazy AOC+3 social engineering and climate change demands above the desperate needs of American workers and businesses.

Prof. Williams, who just weeks ago had been harshly

critical of the Federal Reserve Board for their delay in cutting interest rates and boosting liquidity, was exuberant in his praise for the Fed’s recent actions to support the economy.

Williams, who is also founder and chair of “Law Professors for Trump,” outlined five disruptive ideas for subsequent congressional and executive action that would help support the economy as the nation continues to war against the new coronavirus.

After the pending emergency legislation, Williams proposes:
