

Rental Choice (.com) Announces New Website

The redesigned website offers visitors an easy way to connect with property and rental management companies.

CHEYENNE, WY, UNITED STATES, April 8, 2020 /EINPresswire.com/ -- Rental Choice (.com), an online marketplace to match homeowners to [rental management companies](#), announced today the launch of its revamped website. The new site offers users quick and easy access to local property management companies, rental providers, and industry information. The new design carries with it the same unparalleled exposure on major search engines as the previous site. With its new look and functionality Rental Choice (.com) has made it even easier for local homeowners to find local management quickly on their PC, tablet, or cell phone.

The website has a clean uncluttered design, improved search functionality, and enhanced rich content focused on helping users. Jason Lewis, Director of Sales and Marketing, states, "It is our mission at Rental Choice (.com) to provide an easy to use, one stop destination for landlords, homeowners, and renters to access more information and companies that can empower them to reach their property goals!"

“

...mission at Rental Choice [is] to provide an easy to use, one destination stop for landlords, homeowners, and renters to access [company information] that can [help] them reach their property goals!"

Jason Lewis, Director of Sales and Marketing

Rental Choice (.com)'s new website will be updated on a regular basis with industry news, business activity, and helpful information about issues owners and renters face on a regular basis. "We believe that this new site will allow our visitors to have a very informative experience and find exactly what they are looking for quickly and easily. Property management companies and renters are encouraged to explore the website and contact us to learn more about how we can help get them connected in their area," says Lewis.
