

# Axle AI appears on Meet the Drapers

*Episode in 3rd season of show highlights software company's ability to offer remote video search for media teams*

BOSTON, MA, USA, March 25, 2020 /EINPresswire.com/ -- axle ai, a Boston software company and leader in affordable tools for helping media teams work remotely, had an appearance on Meet the Drapers, a show hosted by veteran venture capitalist Tim Draper. The show's [episode](#), in Meet the Drapers' 3rd season, is now viewable online at <http://www.tinyrul.com/axledraper>. In the episode, axle ai's cofounders Sam Bogoch (CEO) and Patrice Gouttebel (VP of Product Management) highlight the company's current business, products, team and customers.

axle ai is open for investment on a leading equity crowdfunding platform, Republic ( [www.republic.co/axle-ai](http://www.republic.co/axle-ai) ) and its software is available for purchase worldwide.

###

About axle ai:

axle ai (<http://www.axle.ai>) is the recognized leader in developing radically simple [video search](#) software.

Its solutions have helped over 600

media organizations improve the way they create, share and store digital video content with media management solutions that are easy to install and afford. axle's radically simple software uniquely addresses a rapidly growing need and has caught on among video professionals in post-production, education, broadcast, corporate, sports, house of worship, non-profit, advertising-marketing, and government organizations worldwide. At its introduction, axle's software was recognized with the IBC 2012 Best of Show award and at NAB 2013 with the prestigious DV Magazine Black Diamond and Post Picks awards. axle ai's recently introduced ascribe.ai provides affordable transcription of video and audio content at breakthrough pricing of under \$2/hour, and its connectr™ software offers a powerful tool for scripting media workflows, driven by a graphical front end with connect-the-blocks visualization. axle ai, Inc. is a privately held company; its founders have extensive industry experience in media asset management for creative applications. Investors include Jason Calacanis's LAUNCH accelerator (also a customer) and Quake Capital. Learn more at <http://www.axle.ai> and <http://republic.co/axle-ai>

## About Meet The Drapers:

Meet The Drapers is a groundbreaking reality show in Silicon Valley where the viewers get to decide the next big idea in tech. The legendary Draper family meets the world's hottest new entrepreneurs, on the hunt for the next billion dollar idea. Here is how it works: We scour the world for the best entrepreneurs and select the top 27. These selected founders get up close and personal with three generations of the Draper's and celebrity guest judges to fight for a spot in the grand finale.

Here is the twist. The viewers get to invest in these companies and be part of the next groundbreaking companies from Silicon Valley. More at <https://www.meetthedrapers.com>.
