

New York US Navy Veterans Lung Cancer Advocate Urges A Navy Veteran or Person with Lung Cancer in New York Who Had Exposure to Asbestos to Call the Lawyers at Karst von Oiste to Discuss Compensation

BUFFALO , NEW YORK, USA, May 6, 2020 /EINPresswire.com/ -- The New York US Navy Veterans Lung Cancer Advocate says, "We are urging a Navy Veteran or person anywhere in New York State who now has lung cancer and who had heavy exposure to asbestos decades ago-to not ignore the possibility that they might be eligible for significant financial compensation. Significant financial compensation for a person like this might exceed a hundred thousand dollars. As we would like to discuss at 800-714-0303-the person we are trying to identify is over 60 years old and their asbestos exposure took place prior to 1982. It does not matter if they smoked cigarettes. We are asking the family or friends of a person like this to help us get them identified.

"To assist a person like this we recommend the remarkable lawyers at the law firm of Karst von Oiste. The lawyers at Karst von Oiste have been assisting people with asbestos exposure lung cancer and mesothelioma for decades and they are responsible for over a billion dollars in financial compensation for people like this. We need to add the lawyers at the law firm of Karst von Oiste do not get paid unless there is a settlement. For direct access to the lawyers at the law firm of Karst von Oiste please call 800-714-0303." www.karstvonoiste.com/
