The Afters

Every anxious thought that steals my breath
It's a heavy weight upon my chest
As I lie awake and wonder what the future will hold
Help me to remember that You're in control

You're my courage when I worry in the dead of night
You're my strength 'cause I'm not strong enough to win this fight
You are greater than the battle raging in my mind
I will trust you, Lord
I will fear no more.

I will lift my eyes
I will lift my cares
Lay them in Your hands
I'll leave them there
When the wind and waves are coming
You shelter me
Even though I'm in the storm, the storm is not in me

You're my courage when I worry in the dead of night
You're my strength 'cause I'm not strong enough to win this fight
You are greater than the battle raging in my mind
I will trust you, Lord
I will fear no more.
