MELBOURNE regional CHAMBER

Presents...

Get Remote: Tools, Tips, and Resources to Successfully Work From Home

Presented by:  **Tom Fulmer, CPCT, CHBC**
VP Business Development
National Drug Screening, Inc
Tom@NationalDrugScreening.com

Join this webinar for tools and resources to help you work remotely

Working from home has some great benefits but also some drawbacks. In this webinar, Tom Fulmer will share tools, tips, and resources to help you stay productive, creative, and engaged as well as meet or exceed expectations of your employer and your clients.

“

It is critical for many business to have systems and process in place to work remotely when faced with a crisis situation or when business needs require it.”

Tom Fulmer

There are several critical elements to successfully working from home or working remotely. Attendees will get valuable takeaways that include

- How to set yourself up for success with your home office area
- The Equipment and technology you must have for remote work
- Techniques and tools to stay engaged with co-workers

and clients

- Software programs that will dramatically improve productivity and communication
- How to oversee the work of others as needed
- How to minimize distractions when working from home
- Bonus Resources Guide & Work from Home Checklist will be available to all attendees

Whether you work from home all the time or a crisis situation arises leaving a business no other option, it is imperative to be prepared by having systems and process in place that will help your business survive and thrive.
