

Future Armoured Vehicles Weapon Systems 2020 Will Now Be Remote Access Only, Due To COVID-19 Concerns

Smi Reports: Future Armoured Vehicles Systems 2020 will be held as a virtual conference, following concerns over COVID-19 and public gatherings.

LONDON, UNITED KINGDOM, March 30, 2020 /EINPresswire.com/ -- The 4th annual [Future Armoured Vehicles Weapon Systems 2020](#) will be held on the 3rd and 4th June 2020, providing delegates with the opportunity to hear updates on the latest weapon systems and munitions developments.

Following concerns over COVID-19 and public gatherings, SMi Group have made the decision to make the conference remote access only. All speakers, attendees and sponsors will be able to access the full conference and its materials, and will be able to log on remotely via the internet.

This year's conference will host experts from the most forward-thinking nations who will provide detailed analysis and an overview of cutting-edge weapon and large calibre ammunition systems, and how they are revolutionising mounted close combat lethality.

The full agenda and speaker line-up is available to view online at: <http://www.fav-ws.com/EINpr4>

2020 Highlights:

- Keynote briefings from senior managers from leading armoured vehicle programmes from across the NATO-aligned world
- A unique emphasis on developing versatile lethality capabilities by exploiting open electronic architectures and a modular approach to weapon system integration
- Focused and high-level discussion featuring technical managers and project engineers from both military and industry
- Generating knowledge and expertise following recent procurement processes within international militaries

The banner features the SMi logo in the top right corner with the tagline 'LINKING BUSINESS with INFORMATION'. The main text reads 'FUTURE ARMOURED VEHICLES WEAPON SYSTEMS' in large, bold, white letters on a dark background. Below this, it says '3rd - 4th June 2020 | London, UK'. The background of the banner is a photograph of a tank in a desert environment. At the bottom of the banner, the website 'www.fav-ws.com' is displayed in white text. Below the banner, the text 'Future Armoured Vehicles Weapon Systems Conference 2020' is written in black.

Interested parties can register for the conference at: <http://www.fav-ws.com/EINpr4>
