

COVID-19 Global Regulatory Changes

New COVID-19 Blog Tracks Regulatory Changes Worldwide

WILLIAMSPORT, PA, 17701, March 30, 2020 /EINPresswire.com/ -- RegScan, Inc., a compliance management company, released a new blog today which tracks and summarizes regulatory updates about COVID-19 worldwide. Regulatory changes and emergency rules are being issued on what seems like an hourly basis. Companies around the world are struggling with tracking and understand what these changes mean for them. RegScan has stepped into the void with the new COVID-19 blog.

"Our customers can't afford to waste time and money trying to figure out the COVID-19 regulatory changes and how it will impact their business. We created this blog to take the pain out of this process. With our talented international environmental law experts, we are able to update our blog with the current regulatory information on a daily basis," said RegScan President and CEO, Ned Ertel.
