

# WORDPRESS SUPPORT SERVICE NOW PROVIDES WORDPRESS MAINTENANCE SERVICES & WORDPRESS CARE PLANS

---

*Industry leading WordPress Care Plans & Maintenance from ThriveWP*

UK, March 30, 2020 /EINPresswire.com/ -- ThriveWP offers a WordPress support service; they take all the technical jargon and confusion out of the equation by managing it all for you. Whether you are an individual blogger, small business or corporation, their [WordPress Care Plans](#) will have you covered.

Aside from WordPress support, ThriveWP provides a bespoke [WordPress maintenance](#) service. The upkeep of your site is an essential and often overlooked part of the running of a WordPress driven website. WordPress websites need regular maintenance and excellent security to ensure they run well.

## More About ThriveWP

ThriveWP specialises in proactively managing WordPress maintenance. Helping avoid data loss, hacking, and improve website performance with speed optimisations. They run daily or real-time cloud backups, regular site speed tests, security scans, malware scanning, WordPress security audits, malware removal, uptime monitoring, WordPress support and content updates.

## Services and benefits

ThriveWP can offer you the following services and benefits:

- \* WordPress Maintenance
- \* Hosting
- \* Monthly WordPress tweaks
- \* Daily cloud backups
- \* WordPress site review
- \* Integrated plugins
- \* SEO optimisation
- \* Bug fixes
- \* Speed improvements
- \* Fast UK web hosting
- \* Spam prevention
- \* Hack prevention and fixes
- \* 24/7 monitoring

They offer three plans starting at £27 per month through to £57 per month. With every package, you get a client report sent to you each month which outlines all the work they do on your site month to month. You get 24/7 security monitoring, malware scanning, daily backups saved in two locations. Plugin, theme and WordPress core updates and much more! Think of ThriveWP as your very own website manager; they will look after your website while you focus on your business. Don't waste time worrying at the end of a day how to fix your site or manage an update without breaking anything, ThriveWP do it for you!
