Dr. Ruben West, Special Envoy for I Change Nations, insisted that Dr. Christine Kozachuk be one of the empowerment speakers at the Carrying the Legacy Women's Empowerment Conference in Greenville, South Carolina. According to Dr. West, “Dr. Kozachuk has the perfect mix of

compassionate understanding and no excuses allowed. Having been pregnant at the age of 13 she knows all too well about ruff starts. She was married at the age of 14 and had two additional children by the age of 18, all while suffering mental, physical and emotional abuse but that didn't stop her. Dr. Kozachuk left that abusive environment at 18 years old with her 3 children and no idea where they would go. She built a new life for her and her children and now, as the founder of the Every Girl Wins initiative, she advocates for women and girls globally. Dr. Kozachuk is a paradigm shifting speaker encouraging other women to lift others as they climb."

Wendell Graham stated Wow!! What a powerful presentation! I love it when a speaker is creative, confident and owns the stage! Creativity? Check! Delivery? Check! Content Rich? Check! This was my first time seeing Dr. Kozachuk in person and she Rocked The House!
