Shore Buddies dedicates all profits of their sales of each of their stuffed animals to an animal treating non-profit organization during COVID-19 pandemic

SAN DIEGO, CA, UNITED STATES, April 1, 2020 /EINPresswire.com/ -- SAN DIEGO, CA - APRIL 1st, 2020 - [Shore Buddies](#) has partnered up with 4 non-profit organizations that are currently treating animals at their facilities and is donating 100% of their profits from online sales to help these animals to get the treatment they need.

Shore Buddies makes their stuffed animals from [recycled plastic bottles](#). It takes 6x bottles to make one 12" Shore Buddy stuffed animal. Each animal covers a different topic of ocean plastic and educates children how they can help to keep plastics out of the ocean in a playful way.

"Although our mission is to keep plastics out of the ocean, we cannot forget about the animals that currently need treatment." says founder and CEO Malte Niebelschuetz. Many organizations are actively supporting wildlife that got injured or are suffering from illness caused by ocean plastic. These organizations are struggling with the [COVID-19](#) crisis as well and are lacking funds and supplies.

“
