ATLANTA, GEORGIA, UNITED STATES, April 21, 2020 /EINPresswire.com/ -- The apparel brand WorkGrindHustle has released two new collections of t-shirts highlighting the [Divine Nine](#) and [HBCU](#)'s. The collections are both very stylish & comfortable. In addition, the collections come at a time where social distancing is the new normal to offer a sense of togetherness.

The Divine Nine Collection uses the WorkGrindHustle logo represented in the colors of the corresponding sorority or fraternity: the design is a simple yet effective way to show love organizational pride and Greek unity. The premium feel of the shirts offers comfort and flexibility. "People prefer t-shirts that can be dressed up or down and have ease and style. They choose t-shirts over other clothes when they want to give their outfit the distinct freedom of movement and comfort for an active lifestyle" stated Founder Jason Stanley. All t-shirts from the new collections are unisex and complement both men and women.

In an effort to highlight the HBCU collection and encourage engagement WorkGrindHustle is only releasing 3 t-shirts a week until all HBCU's are represented. HBCU's can increase their chance of getting their school higher up on the list by sending an email to [pr\(at\)workgrindhustle\(dot\)com](mailto:pr(at)workgrindhustle(dot)com) explaining why their HBCU is the best. The HBCU with the most entries per week wins and attendees/alumni that participated have a chance to be featured as part of the "Show Me How You Work Grind Hustle Series" launching this summer.
