ALLAHABAD, UTTAR PRADESH, INDIA, April 5, 2020 /EINPresswire.com/ -- Rochak's mirror is a newborn Youtube Channel which depicts different scenarios which are encountered in the life of a teenager through the medium of fully edited videos which comprises different inexpressible sound effects and music.

Just to entertain the whole of India through the power of humour. I love making comedy videos relating to daily life scenarios of students and teenagers who are facing problems in their studies or not much devoted to it. In the future, my motive is to make videos on students who are perseverant and doing sheer hard work but not getting results or expecting consequences.

Rochak's Mirror has already uploaded 3 fresh videos on its Youtube channel within a week named as follows:

1- Aur Bhai Kya Pade: This video just mentions the various scenarios which are experienced by the students a day before their exam who don't study at all.

2- DON'T ENJOY THESE 21 DAYS OF LOCKDOWN: The video arises awareness among the careless teenagers for the 21 days of lockdown.

“

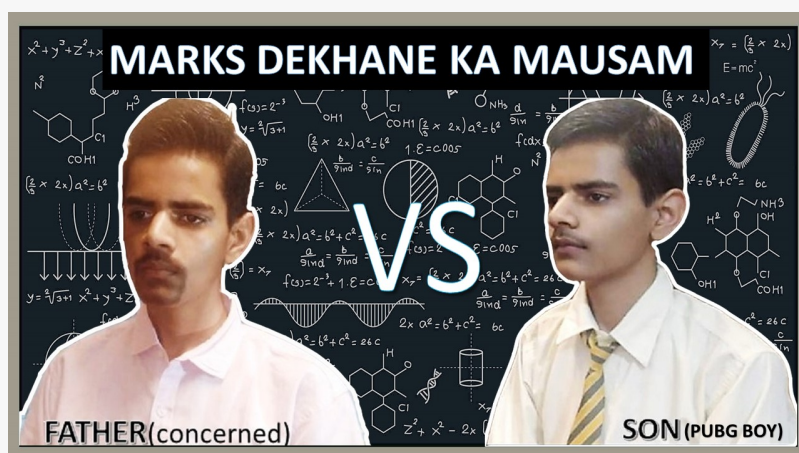

o me, comedy is just twisting reality. It's commenting or observing or twisting life.”

Steven Wright

3- [MARKS DEKHANE KA MAUSAM](#): The video deals with a pathetic and drastic situation which arises between a concerned father and a lazy son. Through the dint of this video, I have tried to showdown this serious situation by adding flavours of humour and suspense. The ferocious father turns pique due to fewer marks of his son and horrifically insults and beats him.
