

Jason Schenker's New Book - The Future After COVID - Becomes #1 New Release on Amazon

Schenker's new book becomes #1 New Release for Macroeconomics. Book includes original research from The Futurist Institute.

AUSTIN, TEXAS, USA, April 6, 2020 /EINPresswire.com/ -- [The Futurist Institute](#) is excited to share that [Jason Schenker](#)'s latest book - [The Future After COVID: Futurist Expectations for Changes, Challenges, and Opportunities After the COVID-19 Pandemic](#) - has become an official #1 New Release for Macroeconomics on Amazon.

Jason Schenker shared that "The big idea of this book is to try and answer the question 'What comes next?'" "The impact of COVID-19 is likely to cast a long shadow — in both bad and good ways — across the years and decades ahead. It will impact how we work, where we live, and what different industries will look like in the future," Schenker added.

The Future After COVID includes futurist perspectives on long-term changes, challenges, and opportunities that the COVID-19 pandemic is likely to hold for over a dozen different critical fields and industries.

“

I am excited that The Future After COVID has become an official #1 New Release on Amazon!"
