

# Publication of Jason Schenker's New Book - The Future After COVID

*Schenker's new book includes original research from The Futurist Institute.*

AUSTIN, TEXAS, USA, April 6, 2020 /EINPresswire.com/ -- [The Futurist Institute](#) is excited to share that [Jason Schenker's](#) latest book - [The Future After COVID](#): Futurist Expectations for Changes, Challenges, and Opportunities After the COVID-19 Pandemic - has been released by Prestige Professional Publishing.

The COVID19 pandemic has had unprecedented impacts on business, the economy, and society.

But there is so much more to come.

And the most important strategic question is: What comes next?

"The big idea of my book is to try and answer that question," Jason Schenker shared. "The impact of COVID-19 is likely to cast a long shadow — in both bad and good ways — across the years and decades ahead. It will impact how we work, where we live, and what different industries will look like in the future," Schenker added.

The Future After COVID includes futurist perspectives on long-term changes, challenges, and opportunities that the COVID-19 pandemic is likely to hold, including for over a dozen different critical fields and industries.

The Future After COVID

“

It is an honor to share some of the most important long-term strategic research on COVID-19 from The Futurist Institute.”

*Jason Schenker, Author and  
Chairman of The Futurist  
Institute*

Schenker's book draws on research, courses, and training materials from The Futurist Institute's Certified Futurist and Long-Term Analyst (FLTA) program. The program trains strategists, consultants, and leaders to incorporate new and emerging trends into long-term planning.

Some of the chapters in The Future of COVID include:  
The Future of Work - The Future of Education - The Future of Energy - The Future of Finance - The Future of Monetary Policy - The Future of Fiscal Policy - The Future of Real Estate - The Future of Agriculture - The Future of Supply Chain - The Future of Media - The Future of International

Relations - The Future of National Security - The Future of Politics - The Future of Leadership - The Future of Travel and Leisure - The Future of ESG and Sustainability - The Future of Startups - The Future of Recession.

The paperback edition of The Future After COVID was released by Prestige Professional Publishing on 1 April 2020. It is Schenker's 22nd book.
