

Prepared Canada offers Free 1-2 hour COVID-19 video conference seminars

The COVID-19 video conferences teach the best available practices, customized to each organization using the most current scientific evidence.

MISSISSAUGA, ONTARIO, CANADA, April 7, 2020 /EINPresswire.com/ -- Prepared Canada Corp., a recognized leader in private and public sector risk assessment and sustainability planning and training is pleased to announce free 1-2 hour video conference COVID-19 and similar emergency risk reduction strategy training sessions for businesses, charities, public agencies, and their employees on how to apply appropriate and proportionate COVID-19 and similar emergency plans.

The COVID-19 video conferences teach the best available practices, customized to each organization using the most current scientific evidence.

Some of the topics covered in session(s) can include:

- What you need to know about how COVID-19 and other future viruses may affect operations
- The most effective remedial actions to reduce COVID-19

“

With so much misinformation and panic during this crisis, we are concerned if making reasonable, informed, strategic decisions is possible for most businesses without outside assistance.”

Alex Vezina, CEO, Prepared Canada Corp.

- How to shelter-in-place for extended periods
- How to make an emergency kit

Alex Vezina, Prepared Canada CEO, noted that, “With so much misinformation and panic during this crisis, we are concerned if making reasonable, informed, strategic decisions is possible for most businesses without outside assistance.”
