

# UpListing.com Unveils its Redesigned Website

*The new completely redesigned website offers issuers insight into uplisting on a senior exchange and UpListing.com's value proposition*

TORONTO, CANADA, April 7, 2020

/EINPresswire.com/ -- [UpListing.com](http://UpListing.com) is pleased to announce the launch of its redesigned website, [www.UpListing.com](http://www.UpListing.com). The new site features a more contemporary design, including aesthetic enhancements to provide a more engaging user experience and improved navigation to help visitors easily find the information they need. All those interested in exploring uplisting to a senior exchange are encouraged to browse UpListing.com's services and subscribe to our UpListing blogs.

"There have been substantial changes within the business and regulatory environments related to companies uplisting to senior exchanges. Certain rule modifications have melded with regulatory changes creating a need for readily available information on best practices to support the new listing requirements," said Todd Heinzl, CEO of UpListing.com. "Our goal was to create a website providing engaging content and resources to support the needs of issuers planning to uplist."

"I'm proud we were able to launch the new UpListing.com website in these unprecedented times. We believe the redesign will reinforce UpListing.com's position as a thought leader in uplisting, dual listing, and cross-listings. "We look forward to assisting issuers to prepare for the next chapter in their capital markets roadmap and the exciting developments to come," added Jonathan Blum, Managing Partner of UpListing.com.
