The Connecticut US Navy Veterans Mesothelioma Advocate says, "Navy Veterans who served on a submarine and who now have mesothelioma are very special. First of all-most Navy Veterans with mesothelioma might receive more than a million dollars in financial compensation. However, if you waste valuable time on Internet freebies the compensation might be reduced. Do not hire a local car accident attorney for the best mesothelioma compensation. If you are a Navy Veteran with mesothelioma in Connecticut please call 800-714-0303 for

direct access to attorney Erik Karst of Karst von Oiste. Erik knows what he is doing."

Coronavirus/COVID-19 update for Navy Veterans with confirmed mesothelioma from the US Navy Veterans Mesothelioma Advocate: "We are extremely concerned that a Navy Veteran with mesothelioma will not begin the mesothelioma compensation process because of the Coronavirus/COVID-19 or they will reach out to a local car accident attorney who has little to no experience doing mesothelioma compensation claims for Navy Veterans. We have endorsed attorney Erik Karst the founding partner of the law firm of Karst von Oiste to ensure a Navy Veteran with mesothelioma receives the best possible compensation results nationwide. Erik Karst is one of the nation's leading mesothelioma attorneys and he will know exactly how to help you or your loved one.
