PUNE, MAHARASTRA, INDIA, April 10, 2020 /EINPresswire.com/ -- [Online Travel Market](#)

Online travel providers aim to ease travel planning and bookings for travelers. Online travel market players are extensively offering travel services through mobile websites and apps, as it is one of the most preferred mediums of travel bookings, particularly among the young professionals. The age group of 22-31 years comprises the young population, which are the early starters in their professional career. These travelers are more inclined to spend on travel and explore new destination, as compared to the travelers in the higher age-group category. Asia-Pacific possesses the highest growth potential in the online travel market share, India and China being the most lucrative markets.

This report focuses on the global Online Travel status, future forecast, growth opportunity, key market and key players. The study objectives are to present the Online Travel development in United States, Europe and China.
