*-Luxurious Materials- Talented Artisans-  
Smart Product- Fair Company- FELTS  
-CROWDFUNDING LAUNCH-*

LONDON, UNITED KINGDOM, April 17, 2020 /EINPresswire.com/ -- [Felts Health Shoes](#) are luxuriously comfortable, super soft felted shoes. Handcrafted in the Himalayan mountains of Nepal from the finest, sustainably sourced raw materials.

Each pair is composed of 19-micron Merino wool, which is prized for its unmatched breathability and insulating properties, as well as nettle fabric, a hollow fibre that is as breathable as Merino wool. These plush and gently supportive form-fitting shoes are designed to insulate feet and wick away moisture to keep you cool, dry and comfortable- no matter the season.

## The Endorsement

Felts Health Shoes are certified for sensitive skin.

Felts Health Shoes Ltd. has been working together with Finland's, Allergy, Skin & Asthma Federation for having such a product available.

We are very proud to be the first shoe to have reached the pinnacle in skin-friendliness.

Founder/Managing director of Felts Health Shoes Ltd.

Hi Antti,<I just wanted to drop a note to say thanks for a great product. I'm on day 20 of a self-quarantine in Chongqing, China and your slippers keep me warm and comfortable during this trying time, helping to keep my immune system strong and healthy while I wait out the Coronavirus epidemic. Thanks again,  
-Kai

Antti, I want to thank you for introducing such a slice of heaven to some of us who have not had an easy time finding the perfect solution due to Chronic Regional Pain Syndrome (CRPS) in our ?? Feet!  
We LOVE YOUR FELTS!☐☐  
Warmest regards, ~ Rochelle ~

Antti and Ladies, I got my felts order this week!!!! Love these. These are so very cosy!!! Thank you, Ladies, for making these with care. They are my favourite purchase for a long time. Well worth the wait!!!
