

Montana Mesothelioma Victims Center Appeals to the Family of Navy Veteran with Mesothelioma in Montana to Call for Direct Access to Attorney Erik Karst of Karst von Oiste-Don't Gamble on the Best Compensation

BUTTE , MONTANA , USA, May 28, 2020 /EINPresswire.com/ -- The Montana Mesothelioma Victims Center says, "We are appealing to the family of a Navy Veteran or person with mesothelioma in Montana to call us anytime at 800-714-0303 for direct access to attorney Erik Karst of the law firm Karst von Oiste. We do not want one person with mesothelioma in Montana to get hounded to death by lawyers calling them non-stop to help them with their compensation claim. Half of these lawyers don't know what they are talking about-or they simply act as brokers-they resell the person with mesothelioma to another law firm to do the actual work.

"We are advocates for people with mesothelioma and our number one goal for a person like this is that they receive the best compensation results. We have endorsed attorney Erik Karst and his colleagues at Karst von Oiste to ensure they get the best compensation results. Erik Karst and his team at Karst von Oiste have been assisting Navy Veterans and people with mesothelioma for decades and they are responsible for over a billion dollars in compensation results for people like this. Trust us-talking direct with attorney Erik Karst of Karst von Oiste will be much more informative than a 'free' booklet about mesothelioma. For direct access to attorney Erik Karst please call 800-714-0303." www.karstvonoiste.com/

The Montana Mesothelioma Victims Center's unsurpassed free services are available throughout Montana in every community including Billings, Missoula, Great Falls, Bozeman, Butte, Helena, Kalispell, Havre, Anaconda, or Miles City.
