“

When I read Gregg Braden's book Divine Matrix, he talked about how the square root of 1% of the population all meditating together can change the consciousness of the world. I thought, we can do this!”

Jennifer K. Hill-Coalition Member

All meditations can be streamed live at 12pm PT each week.

The Coalition still has several open meditation slots available through the end of the year and welcomes other teachers, leaders and influencers to join us.
