PUNE, MAHARASTRA, INDIA, April 17, 2020 /EINPresswire.com/ -- [Community Care Facilities for the Elderly Market](#)

Community Care Facilities or Residential Care Facilities are services provided to geriatrics to assist their day-to-day routine of care, supervision and assistance with activities such as bathing and grooming and providing medicine as per regimen. In many cases high level of care and supervision is required when people are unable to ambulate by themselves but who do not need 24-hour nursing care. They are considered non-medical facilities and are not required to have nurses, certified nursing assistants or doctors on staff. These services are provided either home to home or at a private facility away from the patient's home. Community care facilities are strictly regulated for quality of environment and expertise of the staff.
