Given the ongoing uncertainty, CFS continues to cease any moment to help [California residents](#) by offering car-title loans, also known as [auto title loans](#), from any amount ranging from \$2,510, going up to a generous maximum of \$50,000. The amount of the loan the borrower receives will be determined by a number of factors, including, but not limited to the value of the vehicle to be used as collateral and sometimes the applicant's credit score (depending on the case). CFS accepts vehicle titles for cars, trucks, SUVs, motorcycles and RVs. Alongside the requirement of the applicant's ownership of their vehicle, additional paperwork that may need to be submitted may include: a valid ID, proof of income (pay stubs, job letter provided by the person employing you, bank statements, unemployment or social security proof, among other forms of proof of income may be accepted), pink slip or vehicle registration, proof of insurance and proof of residence (utility bill, junk mail). Once the applicants fill out the company's easy application form and provide the required documentation, the process between getting approved and receiving the cash may even be immediate. Don't feel discouraged if you do not have one or more than a few of the required stipulations, we at Champion Financial Services pride ourselves on our quick and easy loan services and often times can make exceptions. Existing clients have also stated they have received top quality customer service from their loan officers and experts here

at CFS.

CFS serves people coast to coast. However, California residents can enjoy the benefit of having the company's branches near to them. Right now, Champion Financial Services is located in 4 cities throughout Southern California: Palm Desert, Riverside, Santa Ana, and [San Diego](#), although still services and provides monteray assistance to those that are not near its offices. Given the sanitary contingency our country is abiding to, CFS encourages all applicants to apply either online or by phone. The company has worked hard to improve online processing of all applications.
