

# Iran: Torching Khamenei, Soleimani banners and targeting repression, torture centers in Tehran, other cities

PARIS, FRANCE, April 20, 2020 /EINPresswire.com/ -- The defiant youth in Tehran, Mashhad, Isfahan, Shiraz, Kermanshah, Lahijan, Shahrekord, Kerman, Hamedan, Shahriar, Qom, and Arak targeted the clerical regime's much-hated Basij centers and torched the banners of supreme leader Ali Khamenei and the notorious Quds Force commander Qassem Soleimani.

Amid the Coronavirus outbreak, the regime's criminal Revolutionary Guards and the Basiji thugs have nothing to do but to suppress, arrest and torture the rebellious youth and the supporters of the Mujahedin-e Khalq (MEK). Under various pretexts, including countering rumors, preventing gatherings, etc., the repressive IRGC and Basij have arrested and suppressed the youth, or in places like Falak al-Din Khorramabad, have destroyed houses and beat up the homeless and flood-stricken people.
