

Chair letter released for SMi Group's Pre-filled Syringes San Francisco 2020

SMi reports: Exclusive Chair letter invite released for inaugural Pre-filled Syringes San Francisco, USA this September

SAN FRANCISCO, CA, USA, April 21, 2020 /EINPresswire.com/ -- SMi Group is delighted to announce the inaugural [Pre-filled Syringes San Francisco](http://www.prefilled-sanfrancisco.com) conference, taking place on the 14th and 15th September 2020, in San Francisco, USA.

The conference will address the rapidly growing pre-filled syringes market, where top representatives from established pharma companies will come together to discuss their exclusive insight on topics such as: the sphere of regulation, new digital technology trends, human studies and innovative design and delivery systems within the prefilled syringe industry.

The poster for the 'Pre-Filled Syringes San Francisco' conference features a blue background. At the top, it says 'SMi Group Proudly Presents..' followed by the SMi logo. The main title 'Pre-Filled Syringes San Francisco' is in large orange letters. Below it, the dates '14th - 15th September 2020' are in white. A central image shows a blue prefilled syringe with a needle. At the bottom, registration information is provided: 'Register at: www.prefilled-sanfrancisco.com' and 'Visit: @SMIPharm | #SMIPFSUSA'.

Excerpt of Chair Letter:

"Dear Colleagues

As chairs of SMi's Pre-Filled Syringes San Francisco conference, we cordially invite you to attend this anticipated event taking place on the 14th-15th of September 2020 in San Francisco. In an ever-growing injectable delivery industry, this packed 2-day agenda will provide a unique opportunity to assess updates and strategy for digital health and connectivity, plus advances and industry challenges in platform and device selection. Furthermore, this conference will allow for benchmarking against the latest research with industry and academic insights into biologics, biosimilars and biocompatibility for Drug/Device Combination Products and essential updates from regulatory and notified bodies in addition to industry experts.

Following the main event, 2 post-conference, workshops will be held on Wednesday 16th September 2020. There will be the opportunity to discuss 'Human Factors and Risk Management' with UserWise and to understand the best strategy for the current Pre-Filled Syringe Regulatory environment with BSI."

There will also be a post-conference workshop day on the 16th of September 2020 featuring two half-day workshops.

The event brochure with the full chair letter, agenda and speaker line-up is available to download from the website <http://www.prefilled-sanfrancisco.com/einpr2>
