[/EINPresswire.com/](https://EINPresswire.com/) -- The Colorado US Navy

Veterans Mesothelioma Advocate says, "We are urging a Navy Veteran or person with recently diagnosed mesothelioma in Colorado or their family to call us anytime at 800-714-0303 for direct access to attorney Erik Karst of the law firm of Karst von Oiste. Erik is one of the nation's leading mesothelioma attorneys and he will be able to answer your questions about the mesothelioma compensation process and what will be involved. If you or your husband-dad-Navy Veteran has just been diagnosed with mesothelioma--you do not have time to order a 'free' publication about mesothelioma and we do not want a Navy Veteran or person with this rare cancer or their family wasting their time on a law firm call center-that has nothing to do with the navy, the VA-or anything.

"Because of the Chinese Coronavirus many Navy Veterans-people with recently diagnosed mesothelioma were initially diagnosed as a 'strong possible' for the Coronavirus-because they had pneumonia. As a result- incredibly precious time was wasted. We want a Navy Veteran or person with recently diagnosed mesothelioma in Colorado to call us at 800-714-0303 for direct access to attorney Erik Karst of the law firm of Karst von Oiste. Erik will be able to answer your questions on the spot. Erik and his incredible colleagues at the law firm of Karst von Oiste have

been assisting Navy Veterans with mesothelioma for decades and they are responsible for over a billion dollars in financial compensation for people like this. If you are a Navy Veteran or person with mesothelioma in Colorado or their family, please call Erik Karst-you will be glad you did."
