

Illinois US Navy Veterans Lung Cancer Advocate Has Endorsed the Lawyers at Karst von Oiste to Ensure a Navy Veteran or Person with Lung Cancer Gets Compensated-If they Had Heavy Exposure to Asbestos

CHICAGO, ILLINOIS, USA, June 4, 2020 /EINPresswire.com/ -- The Illinois US Navy Veterans Lung Cancer Advocate has endorsed the amazing lawyers at the law firm of Karst von Oiste to ensure a Navy Veteran or person with lung cancer gets compensated-if they had significant exposure to asbestos in the service or at work decades ago. The person the Advocate is trying to identify is over 60 years old and their asbestos exposure took place prior to 1982. Compensation for a person like this might exceed \$100,000.

As the Advocate would like to discuss anytime, "We have endorsed the law firm of Karst von Oiste to ensure a Navy Veteran or person with lung cancer in Illinois gets compensated-if they had heavy exposure to asbestos decades ago. The remarkable lawyers at the law firm of Karst von Oiste have been assisting people with asbestos exposure lung cancer and mesothelioma for decades and they are responsible for over a billion dollars in financial compensation for people like this. Even if the person with lung cancer smoked cigarettes-they could still get compensated-as long-as they can document their asbestos exposure. For direct access to the lawyers at Karst von Oiste please call 800-714-0303. We are certain you will find them to be-very helpful."
