AUSTIN, TEXAS, USA, April 23, 2020 /EINPresswire.com/ -- [The Futurist Institute](#) is excited to announce the release of its newest course: [The Future After COVID](#).

This course explores potential future impacts of the COVID-19 pandemic on over a dozen different industries and the economy.

Some of the topics of the course include:

- The Future of Work
- The Future of Education
- The Future of Energy
- The Future of Finance
- The Future of Real Estate
- The Future of Agriculture
- The Future of Supply Chain
- The Future of Media
- The Future of International Relations
- The Future of National Security
- The Future of Leadership
- The Future of Travel and Leisure
- The Future of ESG and Sustainability
- The Future of Startups

[Jason Schenker](#), the Chairman of The Futurist Institute, shared that "It's important for futurists, strategists, and leaders looking to the future to help their organizations and the people they serve. That's why this course focuses on our substantive futurist vision about the potential future impacts of the COVID-19 pandemic as well as the best practices for sharing your own future perspectives."

Much of the content in The Futurist Institute's course on The Future After COVID is derived from Schenker's eponymous book that was released on 1 April 2020.
