BHERC “Operation Love” continues its support of the homeless on Sunday, April 26th with the distribution of 300 packets filled with essential toiletries and health supplies to the homeless in Los Angeles and lunch. Some of the items included are gloves, hand sanitizer, face masks, lip chap and snacks. This outreach to the under-

served and often forgotten continues to broaden a campaign that provides love and practical support that included services to seniors in Los Angeles over the past three weeks by BHERC “Operation Love.” More than 500 seniors have been served to date. The packets for the homeless are prepared and delivered using City/State and CDC guidelines by a host of volunteers including the National Black Nurses Association. Contributors to the packets include the Barbershop Health Outreach Program Dr. Bill Releford, Founder, Mothers in Action, Tracy Mitchell, President and Larry Chatman, Production Coordinator, Record One Studio.

BHERC “Operation Love” will load the packets and lunches aboard the “Operation Love Bus” at 10am and is scheduled to make three stops during the day at locations where homeless Angelenos are located. There volunteers will set up tables and distribute the essential packets and lunches and share kindness and goodwill.
