

Missouri US Navy Veterans Mesothelioma Advocate Appeals to A Navy Veteran with Mesothelioma in Missouri to Get Serious About Compensation and Call for Direct Access to Attorney Erik Karst of KVO-Get Serious Results

KANSAS CITY, MISSOURI , USA, June 9, 2020 /EINPresswire.com/ -- The Missouri US Navy Veterans Mesothelioma Advocate says, "Rather than ordering a 'free' publication about mesothelioma we are urging a Navy Veteran in Missouri with this rare cancer to call 800-714-0303 for direct access to attorney Erik Karst of the law firm of Karst von Oiste-KVO. Erik Karst is one of the nation's leading mesothelioma attorneys, he has been assisting Navy Veterans and people

with mesothelioma for decades and he and his colleagues at the law firm of Karst von Oiste-KVO are responsible for over a billion dollars in financial compensation results for people like this.

"Because of the Coronavirus-2020 might go down as one of the worst years for mesothelioma compensation for Navy Veterans with this rare cancer-since mesothelioma and the Corona Virus have similar symptoms. The typical Navy Veteran with mesothelioma we talk to is 72 years old, their exposure to asbestos occurred before 1980, and they may have completely forgot about their exposure to asbestos. If you or your loved have just been diagnosed with mesothelioma, please call us at 800-714-0303. At a minimum we think attorney Erik Karst of the law firm of Karst von Oiste-KVO will be able to explain how the compensation process works and what might be involved. We think talking directly with attorney Erik Karst of the law firm of Karst von Oiste will be extremely helpful and informative. Please don't play lawyer roulette when it comes to

mesothelioma compensation."
