

BEST-SELLING AUTHOR RELAUNCHES CRITICALLY ACCLAIMED THRILLER

NEW YORK, USA, April 29, 2020 /EINPresswire.com/ --
HOLIDAY ROAD

On the heels of a bad breakup, Amelia Montgomery heads home for the holidays. Her hometown is a far cry from the metropolis where she lives now, but not nearly far enough away from Jake Grayson.

TERROR ROAD

Amelia's family festivities turn terrifying when a distraught Jake shows up uninvited on the Montgomery's doorstep. Jake will not stop until he possesses Amelia; one way or another, she will be his.

DEADLY ROAD

In a chilling nightmare, one man's obsession is so evil, it's deadly. Amelia must fight for her life, and the lives of those she loves most, in the only place she's ever called home...WINTER ROAD.

Other Works by Kristina Rienzi:

Danger lurks in the unknown...

Marci Simon lives a double life: conservative professor of English by day, and controversial blogger of aliens by night. But when a classified document lands in her lap, her two worlds collide in an explosive revelation of shocking and deadly secrets.

Despite imminent danger at every twist, Marci embarks on an unstoppable quest to expose the terrifying truth. Only she never anticipated the entangled nebula of dark lies, nor the never-ending wormhole the government would spiral through to silence her forever.

Knowledge can kill. And Marci knows too much. With global security at risk, no one can be trusted. To debunk the stratosphere of deceit, Marci races at the speed of light to escape the grips of the clandestine Extraterrestrial Security Agency (ESA) hunting her before she vanishes like all the others. But Marci is unique. Despite being the ESA's prime target, she's also the skeleton key to the deadliest truth in the history of the universe.

The nightmare is real, and it's only just begun. Marci must take a nefarious leap of faith before her options, and her breaths, evaporate into a black hole for all eternity.

About the Author:

Kristina Rienzi is a Jersey Shore-based new adult thriller author, certified professional coach, and the former president of Sisters in Crime-Central Jersey. An INFJ who dreams beyond big, Kristina encourages others (and herself) to embrace the unknown through her stories. When she's not

writing or drinking wine, Kristina is spoiling her baby girl, watching Lifetime and Hallmark, singing (and dancing) to Yacht Rock Radio, or rooting for the WVU Mountaineers. She believes in all things paranormal, a closet full of designer bags, the Law of Attraction, aliens, angels, and the value of a graduate degree in psychology.

Her debut audiobook, *Among Us* was featured on Audible's ACX University and is an Audible Editors Select pick.
