

Daryl Mosley Reflects On The Past And Moves Forward With Intimate Debut Solo Music Video

"A Few Years Ago" Premieres TODAY At 2 p.m. Eastern & Pacific On The Heartland Network

PLEASANT VIEW, TENNESSEE, UNITED STATES, May 1, 2020 /EINPresswire.com/ -- Renowned singer/songwriter Daryl Mosley's debut music video as a solo artist will premiere on The Heartland Network this afternoon at 2 p.m. ET / PT. The clip will also stream on www.watchheartlandtv.com and on Heartland's free Roku channel at 2 p.m. ET. Fans can check local [Heartland channel listings HERE](#).

Additional broadcast and Roku/web stream airings include midnight tonight, 6 p.m. E/P Saturday, May 2 and 6 a.m. E/P Sunday, May 3.

Filmed in Piedmont, South Carolina along Hwy 143, the video offers an intimate "ride along," with the viewer sharing the cab of Daryl's truck as he sings the poignant song and navigates the curving two lane road. Scenic views of woodlands, homes and hills offer a bucolic background that is offset by a rolling photo array of Mosley's career alliances and highlights. Throughout, Daryl's smooth-as-molasses voice takes the listener on what is a sometimes-rocky stroll down memory lane. The video made its online premiere via [Americana Highways](#) earlier this week.

“

Shooting this in a moving vehicle seemed to be the perfect metaphor. You see the past in the rear-view mirror, but you're moving farther away from it toward an unknown future. Hopefully wiser.”

Daryl Mosley

For Mosley, "A Few Years Ago" is all about accepting both the good and the bad of the past and moving forward with your life as a better person. He notes, "Shooting this in a moving vehicle seemed to be the perfect metaphor . . . you can still see the past in the rear-view mirror, but you're moving farther away from it toward an unknown future. Older and hopefully wiser."

The Bonfire Music Group clip was directed by Troy House and produced by Ethan Burkhardt. "A Few Years Ago" is the debut single from THE SECRET OF LIFE, Daryl's first solo album for Pinecastle Records due out May 22. Fans can [pre-order the album HERE](#), and the single can be
