

North Carolina Mesothelioma Victims Center Urges A Person with Mesothelioma in North Carolina to Not Get Stuck with Freebies and to Focus in Compensation and to Call Attorney Erik Karst of Karst von Oiste for Results

CHARLOTTE , NORTH CAROLINA , USA, June 15, 2020 /EINPresswire.com/ -- The North Carolina Mesothelioma Victims Center says, "We are appealing to a person with confirmed mesothelioma in North Carolina or their family to call 800-714-0303 for direct access to attorney Erik Karst of the law firm of Karst von Oiste to discuss financial compensation. We are extremely concerned that because of the Coronavirus people with mesothelioma were initially diagnosed with pneumonia-COVID-19-not with this rare cancer caused by exposure to asbestos. For this reason, the mesothelioma may have been diagnosed in a later stage.

"The reason we have endorsed and recommend attorney Erik Karst and his amazing colleagues at the law firm of Karst von Oiste is because they are fulltime mesothelioma and asbestos exposure lung cancer attorneys, they have exclusively been doing this type of work for decades and they are responsible for over a billion dollars in compensation for people like this. The reason we strongly suggest Erik Karst is because he is very-good-at explaining how the mesothelioma compensation process works and what a claim might be worth. For direct access to Erik Karst of Karst von Oiste please call 800-714-0303 anytime. You will be glad you did." www.karstvonoste.com/

The North Carolina Mesothelioma Victims Center wants to emphasize their campaign is a statewide initiative available to a diagnosed victim of mesothelioma anywhere in North Carolina including communities such as Raleigh, Winston-Salem, Charlotte, Greensboro, Fayetteville, Asheville, or Wilmington.
