"We want the places we enjoy to come through the pandemic." Said Justin May, Co-Owner of Dixie Law Group. "When this is over, we want our favorite local restaurants to be where we left them."

The first restaurant being promoted is Khalil's on Dixie Highway. Khalil's is a south end staple and, according to their website, Khalil's is "Louisville's leading sports bar, family restaurant and the place to go for great food and great times."

"We love Khalil's and know how much he has given back to the south end of Louisville, so we wanted to show our support. This is the best way we knew how to do that," said Brian Weber, Co-owner of Dixie Law Group, PSC. "Khalil is a great guy. He's one of the best advocates for our community. His restaurant has given so much to our community. So, when we decided to begin this program, who to start with was an easy decision."

The promotion for Khalil's runs until May 5, 2020, at Noon. The announcement of the next restaurant and promotion will be made at the same time.
