[Dr. Kozachuk is a hands on leader and on her trip to Kenya](#) inspired and motivated thousands, she visited Nuguni Village, where she spoke and mentored the women and girls to know, no matter what they are going through, they can create the life they deserve, that they are

WINNERS. She also had the privilege to share her message with over 600 women and girls in Narok county, arranged by Dr. Juma and Rev Dorcas. All the women and girls have dreams for a better life in which Dr. Kozachuk knows with the right tools, education, and guidance they will succeed. Dr. Kozachuk believes that the "Plant A Garden Project" is one of those programs that can create a better life, as well as help women and young ladies around the world to be self-sufficient

Dr. Christine Kozachuk states, "I believe that as we work with local leaders to implement the "Plant A Garden Project", we will inspire others to implement the same program and together we can change the quality of life for young ladies around the world". Dr. Kozachuk added I truly believe what has been shared for years by many leaders, educators and organizations and was proclaimed by Lao-Tau in 1986, Lao Tzu said that if you give a hungry man a fish, you feed him for a day, but if you teach him how to fish you feed him for a lifetime. Dr. Kozachuk feels that the principal applies as much today as the day when it was spoken by Lao Tau.

[The Every Girl Wins Institute was created based on the life skills](#) and observations of women of the world from the founder. What she has experienced is the beliefs of women are holding them back from creating the life they deserve. Over and over again, she would hear women talk about not being confident enough or worthy enough because of certain circumstances that have happened in their lives.

The founder herself had also experienced the same things in her own life from childhood poverty, being a child bride with three children by the time she was eighteen. Having been abused physically, mentally, emotionally, and sexually, she understands suffering and feeling unworthy. She never let that stop her from winning and creating the life she deserved.
