

Angela Adams Consulting Recognizes ExdionPOD as a Technology Game Changer

Angela Adams Consulting Picks ExdionPOD as a Game Changing Technology for Helping Brokers Automate Policy Checking.

PLANO, TX, UNITED STATES, May 6, 2020 /EINPresswire.com/ -- [ExdionPOD](#) has been recognized by [Angela Adams Consulting](#) as a "Game Changer And a Technology to be Excited About" in the Insurance Agency space.

Exdion Solutions Inc. is the leading Insurtech company that helps Insurance Brokers and Agencies build future-ready businesses, using smart AI, Machine learning, cloud, and other technologies. ExdionPOD is their SaaS-based platform for policy checking, the first of its kind, in the industry.

Industry experts from Angela Adams Consulting, recognized ExdionPOD as a Game Changer in their April 2020 "Ask the Experts" Webinar series. The webinar, anchored by senior industry experts from the broker focused consulting company, addressed the most burning questions about agency operations and automation.

Angela Adams Consulting Recognizes ExdionPOD as a Game Changer

“

The Account Manager now needs less time to review the checklist and the Exdion X-Ray makes it very easy to review forms and specific verbiage with ExdionPOD.”
The Angela Adams Consulting Team

across many agencies for many years. ExdionPOD provides an automated solution for this task allowing policies to be delivered to clients faster. Account managers spend minimum amount of time reviewing only variances rather than the entire policy. The Exdion next generation X-Ray checklist provides a direct link to the specific page of the variance on the respective document. The Account Manager now needs less time to review the checklist and the Exdion X-Ray makes it very easy to review forms and specific verbiage.”

Dan Narayan, Vice President Sales at Exdion Solutions, said, “We are thrilled at this recognition. Angela Adams Consulting is one of the most sought out industry consulting and advisory firms for insurance agencies and this is truly a very proud moment for us.”

Earlier this year, ExdionPOD was recognized by the Council of Insurance Agents and Brokers ([CIAB](#)) as a Top Insurtech to watch in the policy checking space.

In the current business climate, agencies are rapidly accelerating their technology roadmaps. SaaS platforms like ExdionPOD are a blessing in disguise especially because of their unique Pay As You Go (PAYG) models with no upfront investments that enable agency staff to bring back their focus on clients.
