

CareRite Centers Gives Back to Employees with Porch-trait Initiative

ENGLEWOOD CLIFFS, NEW JERSEY, UNITED STATES OF AMERICA , May 5, 2020 /EINPresswire.com/ -- The CareRite Centers Network is proud to spread some joy during this difficult time with their new porch-trait initiative! As noted in the mission statement of the network, their team members are the vital link- it is only fitting that an initiative was created to support their most precious resources.

While birthdays, proms, weddings, graduations, and more are being canceled due to the COVID-19 virus, CareRite Centers noted how valuable these experiences are to be preserved and enjoyed; while still practicing safe social distancing, CareRite Centers' house photographer, Lewis Sasaki, is making door-to-door porch-traits stops to assist in preserving these monumental events, as well as take beautiful family photos, for the hard-working and selfless team members within the network.

CareRite Centers' team members will be given the opportunity to meet with Sasaki for a professional photoshoot from the safety and comfort of their home. These opportunities are complimentary for the valued staff members of the CareRite Centers' team, and include a digital and physical copy of their photo! All CareRite families are welcome to take part in this opportunity, as a sign of appreciation for their continued dedication, commitment, and hard work.

CareRite Centers' is a skilled nursing and rehabilitation company, whose network expands from New York, New Jersey, Florida, and Tennessee; the network praises their team members daily for all of their compassion, genuine care, and devotion to their respective communities.
