

Reading Orthodontist Offering Affordable Braces for Teens

The cost of braces in Reading is kept low thanks to Exeter Orthodontics.

READING, PA, UNITED STATES, May 13, 2020 /EINPresswire.com/ -- Exeter Orthodontics is offering [braces in Reading](#) for both teens and adults. Braces cost \$3,995, a fraction of the price other [Berks County orthodontists](#) charge. This low price includes x-rays, retainers, repairs, and even emergency visits. No matter the length of a patient's treatment, they'll only pay one price.

Braces in Reading are available from Exeter Orthodontics

"There are no hidden fees," explains Dr. Soraya Mills. "We also offer payment plans to ensure that families who need care can afford care."

While traditional braces remain a popular treatment method, Invisalign aligners are also available from Exeter Orthodontics. Invisalign is transparent and can be removed as needed, making them a comfortable and convenient option.

There are several differences between traditional braces and Invisalign, including treatment length and compliance. However, both options are available at one low price.
