

Maximus Yaney's Kangaroo is Giving Free Security Kits to Small Businesses Impacted by COVID-19

A new security initiative for small business relief during the COVID-19 pandemic is being offered by affordable security company Kangaroo.

NEW YORK, NEW YORK, UNITED STATES, May 7, 2020 / EINPresswire.com/ -- Founded by entrepreneur Maximus Yaney, security technology company Kangaroo is striving to help small business owners by providing them with vital security systems and professional monitoring during the coronavirus crisis. Small businesses can feel safe with a free Kangaroo security kit and professional monitoring for three months. By offering these high-tech security kits, Maximus Yaney hopes that [businesses will feel empowered](#) during this difficult period.

Without monitoring or any kind of security system, many small businesses are at the threat of invasion while on lockdown. The Kangaroo security kit is designed to keep tabs on businesses, protecting them from break-ins and theft. The kit includes an easy to install security camera plus professional monitoring that will keep an eye on vulnerable businesses. Plus, the live stream 1080 HD video can easily be accessed from a smartphone, giving business owners safety and peace of mind when it comes to their store, restaurant, or office space. After three months, the kit can simply be returned free of charge.

“

On behalf of the entire team here at Kangaroo, we'd like to offer small business owners some support during these trying times”
Maximus Yaney

“On behalf of the entire team here at Kangaroo, we'd like to offer small business owners some support during these trying times,” says Maximus Yaney, Co-Founder and CEO of Kangaroo. “All of us at Kangaroo are motivated by one simple thing: having a positive and meaningful impact on the world. It's that simple.”

kangaroo
