The Arizona Mesothelioma Victims Center fears that nationwide Navy Veterans who-actually-had mesothelioma were probably diagnosed with the Coronavirus-especially in states like New York, New Jersey, Massachusetts, and Michigan. COVID-19 and mesothelioma have similar symptoms-including pneumonia. "If your husband, or your

dad is a Navy Veteran, and he is in the hospital with pneumonia and you know sure he had significant exposure to asbestos on a navy ship or submarine-please tell his doctors-as we would be happy to discuss at 800-714-0303." <https://Arizona.MesotheliomaVictimsCenter.Com>

For the best possible mesothelioma treatment options in Arizona the Arizona Mesothelioma Victims Center strongly recommends the following health care facilities with the offer to help a diagnosed victim, or their family get to the right physicians at each hospital.
