

South Dakota US Navy Veterans Lung Cancer Advocate Has Endorsed the Lawyers at Karst Von Oiste to Ensure a Navy Veteran with Lung Cancer in South Dakota Gets Compensated If they Also Had Asbestos Exposure

SIoux FALLS, SOUTH DAKOTA, USA, June 25, 2020 /EINPresswire.com/ -- The South Dakota US Navy Veterans Advocate has endorsed the remarkable lawyers at the law firm of Karst von Oiste to ensure a Navy Veteran with lung cancer in South Dakota gets compensated-if they also had significant exposure to asbestos in the navy or at work. Financial compensation for a person like this might exceed \$100,000-even if the person smoked cigarettes. The typical Navy Veteran or person they are trying to help is over 60 years old and their asbestos exposure took place prior to 1982. If this sounds like a friend or family member please call the Advocate at 800-714-0303 anytime.

The lawyers at the law firm of Karst von Oiste have been assisting Navy Veterans with asbestos exposure lung cancer and mesothelioma for decades and they are responsible for over a billion dollars in financial compensation results for people like this. For direct access to the lawyers at the law firm of Karst von Oiste please call 800-8714-0303. www.karstvoniste.com/

The South Dakota US Navy Veterans Lung Cancer Advocate's free services are available to people with asbestos exposure lung cancer or mesothelioma in Sioux Falls, Rapid City, Aberdeen, Brookings, Watertown, Mitchell, Yankton or anywhere in South Dakota.

The US Navy Veterans Lung Cancer Advocate says, "If your husband, dad, coworker or neighbor has just been diagnosed with lung cancer and you know they had significant exposure to asbestos in the navy, at a shipyard or while working at a factory, at power plant, public utility, or as a plumber, electrician welder, mechanic or any kind of skilled trades group in any state please have them call us anytime at 800-714-0303. Most people like this never

get compensated-even though the asbestos trust funds were set up for them too. We are trying to change this sad fact." <https://USNavyLungCancer.Com>

States with the highest incidence of lung cancer include Kentucky, West Virginia, Maine, Tennessee, Mississippi, Ohio, Indiana, Louisiana, Arkansas, Missouri, North Carolina, Rhode

Island, Alabama, and Delaware. www.karstvonoiste.com/

For more information about asbestos exposure please visit the NIH's website on this topic: <https://www.cancer.gov/about-cancer/causes-prevention/risk/substances/asbestos/asbestos-fact-sheet>.
