

Focusing on Client Experience, Suite Home Proudly Renews Key Company Certifications

A Women-Owned Business with the Highest Level of Quality Control | Suite Home is thrilled to announce the renewal of their WBE and ISAAP Certifications

CHICAGO, IL, USA, May 14, 2020 /EINPresswire.com/ -- [Suite Home Corporate Housing](#), a premier temporary housing company, announced this week that they have renewed both their Woman Owned Business (WBE) Certification from [The Women's Business Enterprise National Council \(WBENC\)](#), and their [ISAAP Quality Accredited and Compliance Assured Provider USA](#) from The Association of Serviced Apartment Providers (ASAP).

WBENC is an organization dedicated to fueling economic growth globally by identifying, certifying, and facilitating the development of women-owned businesses. Getting certified by the WBENC is a lengthy and detailed process to confirm that the business meets their standards of female ownership. According to their website, WBENC certification "validates that a business is at least 51 percent owned, controlled, operated and managed by a woman or women. [This] world-class certification standard is accepted by more than 1,000 corporations representing America's most prestigious brands, in addition to many states, cities and government entities.

“

Giving women equal access in the workplace is especially crucial right now for long-term success in businesses of any kind, and we're glad WBENC is empowering women to reach their true potential.”

Jennifer Breen, Suite Home Owner

“We really admire WBENC's dedication to being an advocate for women business owners, and we're so happy that we've been WBENC certified since 2009,” Suite Home Owner Jennifer Breen said. “Giving women equal access in the workplace is especially crucial right now for long-term success in businesses of any kind, and we're glad WBENC is empowering women from all over the country to reach their true potential.”

The Association of Serviced Apartment Providers's (ASAP) Quality Accreditation process operated by the ISAAP Quality Accredited and Compliance Assured Provider USA (ISAAP), is the leading accreditation system for the corporate housing industry. This Quality Accreditation confirms that Suite Home Corporate Housing has been rigorously assessed to meet the 250 service quality, regulatory & safety criteria, comply with all the key legal, statutory & health & safety requirements, are marketing all of their properties accurately, deliver a quality guest experience,

and adhere to best industry practices.

Guests can book and stay with confidence knowing they are booking with a company that holds ISAAP Compliance & Accreditation and that they have met the minimum standard of ISAAP requirements giving assurance to the consumer that the required standards of safety, security and duty of care have been met.

Breen said, "During this pandemic, Suite Home has been challenged like much of the hospitality industry. We are able to set ourselves apart through our certifications and our unwavering commitment to brand excellence, and we already have the training needed to meet CDC guidelines for health and safety in our apartments. We stand prepared to properly serve our clientele."

About The Women's Business Enterprise National Council

The Women's Business Enterprise National Council (WBENC) is the largest certifier of women-owned businesses in the U.S. and a leading advocate for women business owners and entrepreneurs. They believe diversity promotes innovation, opens doors, and creates partnerships that fuel the economy. That's why they provide the most relied upon certification standard for women-owned businesses and the tools to help them succeed. Their mission is to fuel economic growth globally by identifying, certifying, and facilitating the development of women-owned businesses. They work to accomplish this by focusing on our CORE platform: Certification, Opportunities, Resources, and Engagement.
